About Reprieve

Reprieve is a UK charity founded in 1999. Reprieve uses strategic interventions to end the use of the death penalty globally, and to end extreme human rights abuses carried out in the name of “counterterrorism” or “national security”.

Reprieve works with the most disenfranchised people in society, as it is in their cases that human rights are most swiftly jettisoned and the rule of law is cast aside. Thus, Reprieve promotes and protects the rights of those facing the death penalty and those who are the victims of extreme human rights abuses carried out in the name of “counterterrorism” or “national security”, with a focus on arbitrary detention, torture, and extrajudicial executions.

Reprieve’s main office is in London, UK. Reprieve also supports full-time Fellows, who work as lawyers, investigators and campaigners in the countries in which we work. We work closely with a number of partner organisations in jurisdictions all over the world, who provide access to clients, expertise, knowledge and guidance on specific issues or regions. We work in cooperation with relevant government officials, individual lawyers and human rights defenders, as well as individual, corporate and foundation funders to further the cause of our shared goals.

Reprieve works in close partnership with its independent sister organisation, Reprieve US. This collaboration is mutually beneficial to both Reprieve and Reprieve US as it enables each organisation to work more effectively and take advantage of the strategic locations to increase the impact of our work.

The Role:

The Deputy Director, Legal and Governance is responsible for providing independent, strategic and proactive legal advice to Reprieve and is a critical member of the Senior Management Team. This is an exciting and varied role in which no two days are the same. You will have the opportunity to interact with inspiring people throughout Reprieve as well as those outside of Reprieve who are integral partners in our work.
The Deputy Director, Legal and Governance will be a UK based qualified solicitor or barrister, or have an equivalent qualification from another jurisdiction with sufficient experience working within the UK in a legal capacity either in private practice or in-house environment.

The Deputy Director, Legal and Governance will report to Reprieve’s Board and its Risk Committee; and attend, observe and minute meetings of our Finance Committee and Nominations Committee. They will be expected to play a key role in any special ad-hoc committees established by the Board from time to time, for instance, in the event of a serious incident occurring.

All staff will feel confident to approach the Deputy Director, Legal and Governance with challenging legal questions that cut across Reprieve cases, fundraising and operations. Trustees will feel confident to entrust you to manage risk at Reprieve, and third parties such as suppliers and external counsel will feel comfortable liaising with you, even when the issues being discussed are complex and confidential.

The Deputy Director, Legal and Governance will have a proven ability to think pragmatically and laterally, to provide sound judgement, to work well with teams, and to communicate effectively.
